

# What's most essential to **navigate** Meaningful Use?

**O**n the voyage to Meaningful Use, a few necessities make the difference. With an experienced crew, a good map and a shared ability to adapt, you're ready for the challenges ahead. ■ Peer Consulting helps your team develop a clear map for reaching Meaningful Use, and guides you through certification and implementation. To learn more, visit HIMSS Booth 1700. ■
